

Online exhibition of Palm Lake residents' artwork

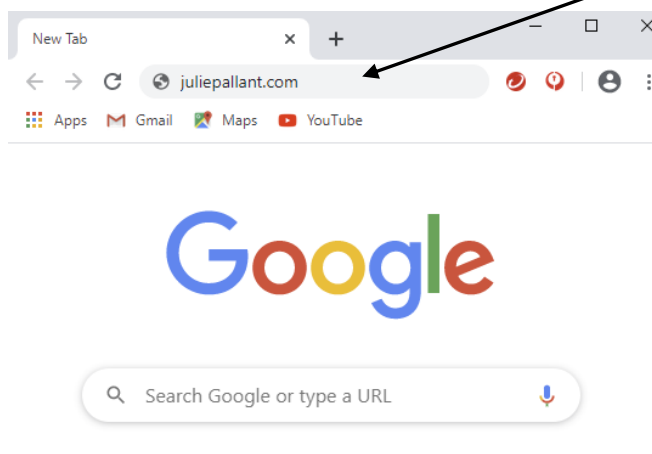

For the past few years Palm Lake Resort Ballina has hosted an exhibition of art works created by some of our incredibly talented residents. This year, due to the Corona virus, it has not been possible to have an exhibition in the Oasis clubhouse.

Instead we have decided to have a 'online' exhibition. Julie Pallant has taken photos of the art works and prepared a website so that the artworks can be shared for all to enjoy. Each artist has provided some information about themselves and a description of each piece. Portraits of each of the artists have also been included. If you would like to contact any of the artists about their work, please contact them directly – Villa numbers have been provided.

This is a wonderful opportunity to see what some of your fellow residents get up to in their spare time – you might be amazed! We have featured six artists initially, with more to follow over coming weeks. Check back regularly for updates.

Instructions for accessing the Art Exhibition website

- The website is best viewed on a computer, tablet or IPAD
- Open the browser you use to search the web (eg. Internet Explorer or Chrome)
- Go up to the top navigation window and type in **juliepallant.com** (see example below) and then press **Enter** on your keyboard.

Don't use the search bar in the centre of the screen.

This will take you to Julie Pallant's website.

- On a computer (or on a tablet or IPAD held horizontally) you should see a menu on the left-hand side. Click on **Art Exhibition 2020** (see the screen shot below:

Blog

- If you are accessing it on a phone the menu can be found at the top by clicking on a box which contains 3 horizontal lines.

A direct link to the exhibition has also been added to the Ballina Palm Lake Residents Blog site:
